TALLAHASSEE MEMORIAL
HEALTHCARE

Foundation

Foundation

Charitable gifts can make the difference between being a good hospital and a great one. Tallahassee Memorial HealthCare (TMH) is a great one – thank to the nearly 3,000 individuals and organizations who choose to make gifts of support each year through the TMH Foundation.

For those who have made a gift to support the good work of TMH and its colleagues, we thank you and ask that you consider continuing your generosity. For those who have not made a gift, we ask that you consider doing so today.

You have the power to make a difference. Recently, the TMH Foundation gave \$2 million in donor support to help fund the purchase of a state-of-the-art Varian Edge Linear Accelerator houses at our Cancer Center. This was the largest, single gift the Foundation has made in its history to TMH. Our donors can feel good knowing that their charitable gifts helped fund technology that will positively impact the lives of countless cancer patients in our community.

In 2023 donor gifts totaling \$3.8 million funded a wide variety of patient support needs including new software for our Emergency Center – Northeast so strokes can be diagnosed more quickly. They also funded 3-D mammography and ultrasound machines in the Sharon Ewing Walker Mammography Clinic. Finally, donors also provided more than \$101,000 in scholarships to TMH colleagues so that they may gain new skills and credentials – all to benefit patient care.

By working together for the common good, donors to the Foundation make the lives of our patients better – from premature infants in our Level III Neonatal Intensive Care Unit to those who are older and need care from one of the many services lines and programs throughout TMH, such as:

- Animal Therapy
- Behavioral Health
- Cancer Center Care
- Clinical Education
- Diabetes Care Programs
- Emergency Services & Urgent Care
- Family Medicine Residency Program
- Heart & Vascular Services
- Metabolic Health Center
- M.T. Mustian Surgical Center
- Music Therapy
- Neonatal Intensive Care Unit
- Neuro ICU and Stroke Center
- Nursing Support & Education
- Oncology
- Pediatrics
- Orthopedics
- Rehabilitation Services
- Spiritual Care
- Surgical Care & Technology
- Telemedicine
- Type I Diabetes Diagnosis & Care
- Women's Care

The TMH Foundation welcomes community support and offers a wide variety of giving opportunities. These include outright gifts of cash, securities, real and personal property, employer matching gifts, corporate and foundation grants, and special events. The Foundation also welcomes deferred gift provisions under wills, living trusts, designations of retirement plan assets, charitable remainder trusts, charitable gift annuities, pooled income fund trusts and personal residences or farms with a retained life estate. Contributions of life insurance policies and charitable lead trusts are also gratefully accepted.

Please contact the TMH Foundation to request gift and financial planning information, how to make a donation or learn more about the many ways you can support TMH's mission.

Hospital Services

Hospital Services

ANIMAL THERAPY 850-431-5352 or 850-431-7077

Tallahassee Memorial Animal Therapy has been fostering therapeutic bond between people and animals since 2005. Certified handler-animal volunteer teams serve clients to provide mental health, motivation, recreation, education, rehabilitation, pain management and other therapeutic services. Services are provided for patients, families and medical staff. With over 200 teams serving 80 plus facilities, these animals and their handlers make a powerful impact. Requests for services can be made through Cerner, by email or by phone. Please contact the department for more information.

BARIATRIC CENTER, SEE “METABOLIC HEALTH CENTER” 850-431-5404

BEHAVIORAL HEALTH CENTER.....850-431-5100

Tallahassee Memorial Behavioral Health Center offers a comprehensive array of inpatient and outpatient mental health and substance abuse services and psychiatric consultation-liaison services. The Behavioral Health Center offers separate inpatient mental health and/or substance abuse services for children/adolescents ages six through 17 years and adults needing acute and intermediate levels of care.

B.E.S.T. (BEHAVIORAL EMERGENCY SERVICE TEAM) 850-431-4883

The Behavioral Emergency Services team provides 24/7 psychiatric consultation-liaison services in the Emergency Department, medical-surgical acute care units, and other programs on the TMH campus.

DIRECT ADMISSIONS..... 850-431-0892

Tallahassee Memorial Behavioral Health Center will evaluate individuals experiencing a mental health and/or substance abuse crisis for possible inpatient admission and/or referrals to outpatient providers. The Direct Admissions Office is located at the Behavioral Health Center and is open Monday-Friday during the hours of 8am-5pm and can serve voluntary walk-ins and referrals from TMH and community providers.

BIXLER TRAUMA & EMERGENCY CENTER..... 850-431-0911

Physician Line 850-431-0912

The Bixler Trauma & Emergency Center accommodates nearly 68,000 patient visits each year. Its 37,000 square feet houses three nurses' stations, a CT scanner and two X-ray units. Easy access from the ambulance drop-off to a three-bed trauma bay means state-of-the-art technology and care is only seconds away for patients with the most severe illnesses and injuries. Seventy covered parking places are dedicated for patients and their families.

ED Observation Unit, 1S.....850-431-4270

This Unit provides continued evaluation of patient who may not meet inpatient admission status but need further monitoring before discharge..

Hospital Services

TALLAHASSEE MEMORIAL CANCER CENTER

1775 One Healing Place850-431-ICAN (4226)

The Tallahassee Memorial Cancer Center at One Healing Place off Surgeon’s Drive opened January 2011. The center is a 52,412 square-foot building featuring comprehensive oncology services and leading-edge technology, in addition to patient-centered amenities and a beautiful healing garden. The building was designed and constructed to meet LEED requirements by a third-party program and meets the nationally accepted benchmark for design, construction and operation of high-performance green buildings. LEED promotes a whole-building approach to sustainability by recognizing performance in five key areas of human and environmental health: sustainable site development, water savings, energy efficiency, materials selection and indoor environmental quality.

The Tallahassee Memorial Cancer Program is the longest continuously accredited comprehensive, community hospital cancer program in the State of Florida.

Administration.....850-431-2338

Navigator Services.....850-431-ICAN (4226)

The Navigator Services at One Healing Place are designed to provide the patient with a trusted resource from pre-diagnosis to returning to a life after cancer. Whatever the patient needs, the support services team works together to provide dedicated and timely support. Breast Prosthesis Boutique, Post Mastectomy and Breast Surgery services include post op garments, breast forms, mastectomy bras, chemo hats and wigs.

With the cooperation of physician’s offices, the navigator can significantly decrease the amount of time it takes to diagnose and initiate treatment, time that is certainly of utmost importance to the patient. As a result, the patient often feels better equipped to handle what may lie ahead as the navigator provides a single resource to schedule appointments, complete necessary paperwork, gain access to pertinent clinical trials, facilitate financial aid where applicable and connect the patient to health care education and support resources. All navigator services are free to patients and only a phone call away at 850-431-ICAN (4226).

TMH Physician Partners -
Radiation Oncology850-431-5255

Radiation Oncology is located at the Tallahassee Memorial Cancer Center at 1775 One Healing Place, ground floor. Patients are scheduled for services following physician referral for care, evaluation, treatment, planning and education. Follow up care is available both for inpatients and outpatients.

The Cancer Center has three linear accelerators providing state of the art technology for a wide variety of radiation treatment options for patients.

Radiation Oncology office hours are from 7:30 am to 4:30 pm, Monday through Friday. For emergencies, after hours, weekends or holidays, the physician on call may be reached

Hospital Services

through their answering service 850-668-6443. In-house referrals during normal business hours should be entered via PowerChart.

TMH Physician Partners - Cancer & Hematology 850-431-5360

Cancer & Hematology is located at the Tallahassee Memorial Cancer Center, second floor. It is a practice specializing in the care of patients with cancer and blood diseases. Our mission is to provide comprehensive, compassionate, state-of-the-art care while emphasizing clear communication, patient education and clinical research. The hours of operation are 8:00 am to 5:00 pm, Monday through Friday.

Clinical Trial and Cancer Research 850-431-0673

A clinical trials program is an essential part of a true cancer center. Current treatments for oncology patients today have been developed from yesterday's trials. Cancer research provides valuable information to researchers, physicians and the community. Access to cancer-related trials is offered at TMH through investigational pharmaceutical trials as well as cooperative group studies through the NRG. The cooperative group studies are facilitated through our affiliation with the University of Florida.

TMH Physician Partners - Gynecological Oncology 850-431-4888

Gynecological Oncology is located at the Tallahassee Memorial Cancer Center, ground floor. It is a practice that specializes in complex pelvic surgery, minimally invasive surgery and chemotherapy for women with gynecologic cancers and pre-cancers. The practice cares for women with ovarian cancers, endometrial and uterine cancers, sarcomas, vulvar cancers, vaginal, and cervical cancers. The hours of operation are 8:00 am to 5:00 pm, Monday through Friday.

TMH Physician Partners - Medical Genetics Clinic 850-431-4041

TMH Physician Partners -Medical Genetics Clinic, located at 1775 Healing Place, focuses on diagnosis and management of hereditary cancer syndromes. Led by a licensed and board-certified genetic counselor, evaluations include collection of family histories, assessment of risk of an inherited syndrome, appropriate genetic testing, and discussion of results and surveillance/medical management options for patients and their families.

Cancer Registry 850-431-4922

The primary purpose of the registry is to maintain and manage an up-to-date computerized data base of information on all cancer cases diagnosed and/or treated at TMH. This accumulated information provides data for Florida Cancer Data System and the National Cancer Data Base as well as for local research initiatives by staff and research affiliates such as FSU Schools of Medicine and Nursing. An important task performed by registry staff is sending out follow up letters to patients, secondary contacts and/or their following physicians. Follow-up can promote optimal patient care and provide a valuable record of patient outcomes. The primary purposes of follow-up are to ensure continued medical surveillance to determine outcomes of the treatment, and to monitor the health status of the population under investigation. Follow-up

Hospital Services

information provides the documentation of residual disease or its spread, recurrences or additional malignancies. Subsequent treatments should be included in the patient hospital database. The registry also coordinates the multidisciplinary, patient-oriented cancer conferences which allow immediate information exchange for newly diagnosed patients and their attending physicians.

Additionally, the registry facilitates the accreditation process with the Cancer Committee and the American College of Surgeon's Commission on Cancer & the National Accreditation Program for Breast Centers.

Cancer Conference Case Presentation850-431-1639

Cancer conferences provide our specialists with a forum to collaboratively discuss the clinical stage of the disease and the different treatment options mandated by national guidelines on an individual patient in order to provide excellence in patient care. Neuroscience Tumor Conference, Breast Cancer and General Cancer Conferences are held weekly, Chest Conferences are held monthly. GynOnc Conferences are held bi-weekly. The cancer registry staff coordinates the meetings, gathers the information required for discussion, including medical history, pertinent pathology and radiology material for review. Multi-disciplinary cancer conferences are attended by surgeons, medical oncologists, radiation oncologists, pathologists and radiologists. Both prospective and retrospective cases are discussed.

Outpatient Infusion (Cancer Center)..... 850-431-1712

The Center is located at the Tallahassee Memorial Cancer Center. Working with the Angie Deeb Cancer Unit, Outpatient Infusion is a 37 chair /2 bed outpatient facility with 8 lab draw chairs, which provides infusion services for anti-cancer therapy as well as other infusions for autoimmune diagnoses and management of other hematological diseases. All our infusion Registered Nurses have completed the Chemotherapy and Biotherapy Infusion course with the Oncology Nursing Society to be able to provide chemotherapy and biotherapy treatment. We also provide a vital service of Nursing Navigation and Social Work to assist patients with arranging medical care, access to social programs and counseling. We have additional support services such as lab services, dietician services, support groups along with pet therapy and art therapy during treatment. Radiation Therapy is conveniently located in the same building with a different nursing department, and we all work together for our patients receiving concurrent treatments. It is open 7:30 am to 5:00 pm, Monday through Friday.

Post-Mastectomy Services.....850-431-4897

Post-Mastectomy Services, located at 1775 One Healing Place, provides Breast Prosthesis Boutique, Post Mastectomy and Breast Surgery services include post-op garments, breast forms, and mastectomy bras.

Angie Deeb Cancer Unit (Inpatient).....850-431-1794

The Angie Deeb Cancer Unit (ADCU) is a 28-bed inpatient oncology unit, located on 7A, designed to care, comfort and educate patients with blood diseases (hematology) and cancer (oncology). The unit is staffed by nurses and other health care professionals trained and educated to provide continuity of care for cancer patients. This includes,

Hospital Services

but is not limited to, integrated services in the areas of nutrition, social services, and pharmacy services.

Walker Breast Program.....850-431-LIFE (5433)

The Walker Breast Program is recognized as a Breast Imaging Center of Excellence by the American College of Radiology (ACR) and accredited by the National Accreditation Program for Breast Centers (NAPBS).

Providing the services of a comprehensive breast health center including:

The Breast Clinic provides an unparalleled level of care and a more efficient treatment process by streamlining multiple appointments into a single visit. This compressed timeline means patients receive treatments faster by bringing all the medical experts together in a single location to create an integrated treatment plan customized to each patient's unique case.

Sharon Walker Mammography Clinic provides the latest digital mammograms, both screening and diagnostic, using SoftTouch® pads for enhanced comfort. Also, it provides direct access to breast ultrasound.

The Breast Navigator provides coordination and access to information, education, advocacy, support and services about breast health.

Breast Cancer Treatment Services are provided in conjunction with TMH and its medical staff. Services include needle localization, biopsy, stereotactic guided core biopsy, surgery (with sentinel node mapping), chemotherapy, and radiation therapy including Mammosite.

Lymphedema and Physical Therapy Services are provided through the Rehabilitation Center.

TMH CARELINK

Hardware & Software Support.....850-431-5272

Director, Population Health, Regional Development and

Telemedicine.....850-431-4043

Manager, Population Health.....850-431-5778

TMH CareLink, a regional Telemedicine network aims to reduce barriers in access to care that are related to physical proximity and enable virtual connections between the providers, patients, and caregivers. The CareLink program supports multiple modalities including hospital to hospital communication, provider to provider communication, patient to provider communication, care team to caregiver solutions and virtual group education.

CASE MANAGEMENT850-431-2910

Manager.....850-431-5242

Assistant Manager.....850-431-2907

The Case Management Department provides RN Case Managers and master's prepared Social Workers as part of the multidisciplinary team to facilitate efficient and effective discharge planning. These professionals access community resources to meet each

Hospital Services

patient's individual clinical, social and psychological needs. In addition, the RNs are the conduit between third party payers and the hospital, providing clinical updates, estimated length of stay, and other information to these payers.

CENTRALIZED TELEMETRY SURVEILLANCE CENTER (CTSC).850-431-8353

The Centralized Telemetry Surveillance Center (CTSC) is located on the ground floor of the main hospital behind Nursing Operations next to Patient Placement. The CTSC will monitor the following units: 2A – Clinical Decision Unit (CDU); 3N – Cardiac Progressive Care Unit (CPCU); 4N – Neurology/Neurosurgery and 5C – Diabetes Medical Care Unit (DMCU).

CHILDREN'S CENTER, SEE

“WOMEN'S & CHILDREN'S SERVICES”850-431-2294

CLINICAL DOCUMENTATION850-431-3955

Clinical Documentation Advisors are experienced Registered Nurses and HIM professionals who assist physicians in capturing medical terminology which reflects the severity of illness, risk of mortality, and utilization of resources for inpatient admissions. The Advisors work with the health care team to clarify those conditions that require greater specificity to accurately reflect the patient's clinical status.

CLINICAL INFORMATICS850-431-CPOE (2763)

TMH's Clinical Informatics Department works to interface the health technologies at TMH with all clinical staff. Our team of registered nurse informaticists are both experienced clinicians and experts in our electronic health records. They work closely with their teammates in IT to enhance the interface for the clinicians.

CORPORATE COMPLIANCE850-431-2667 or 850-431-5339

The TMH Corporate Compliance Program supports TMH's I CARE philosophy, particularly the principles of Integrity and Excellence. The Culture of Compliance program promotes ethical, honest and transparent practices in our day-to-day operations as exemplified in our Code of Conduct and Business Practice Guide. It focuses on open communication and education for the prevention and detection of accidental or intentional non-compliance with applicable laws, rules, regulations, and our policies and procedures. The Corporate Compliance Office is here to serve you and to respond in a timely fashion to concerns or inquiries that physicians or colleagues may have regarding potential fraud, waste, or abuse; non-compliance with the health care laws, rules, and regulations; non-compliance with TMH policies and procedures; or violations of our Code of Conduct and Business Practice Guide.

COMPLIANCE

HOTLINE(ANONYMOUS TOLL-FREE) 1-877-772-6723

The TMH Compliance Program provides a means for anonymous reporting of compliance concerns or potential illegal activities through this toll-free Compliance Hotline available 24 hours per day. Concerns or inquiries reported through the Compliance Hotline will be promptly and thoroughly investigated by the Compliance

Hospital Services

Officer for proper resolution or response. It is important that concerns are made known to the Compliance Officer before they become serious regulatory issues.

CONTRACT MANAGEMENT.....850-431-5238

TMH Contract Management oversees the processes and structures for contract development, tracking, follow-up, and filing through the maintenance of an accurate and up-to-date central repository of all contracts, agreements, leases, grants, and institutional licenses.

TMH FEDERAL CREDIT UNION.....850-402-5301 ..FAX 850-402-5334WWW.TMHFCU.ORG

The TMH Federal Credit Union has been serving the financial needs of healthcare workers and their immediate family members in Leon and the surrounding counties for over 60 years. TMH FCU offers a full range of financial products and services including business lending. Improving the financial life of each member is our priority and our pleasure. For more information, visit www.tmhfcu.org.

DIAGNOSTIC IMAGING SERVICES.....850-431-5627

The Medical Imaging Services Department supports the mission of TMH and is committed to excellence in service designed to meet the needs of **inpatients** requiring medical imaging services. The department is staffed 24 hours a day, 7 days a week. Most specialized and routine examinations/procedures are done between the hours of 7:00 am and 4:30 pm, Monday through Friday, when full staff is available.

All requests must include a clinical history that is pertinent to the examination since it greatly aids the radiologist in the interpretation.

DIETARY SERVICES:

Administrative Assistant.....850-431-5292

Food Hot Line.....850-431-3663

The Dietary Services Department offers a variety of nutritious meals. Upon admission, a diet order is written for each patient. Any special orders or requests can be handled through the dietitian.

Guest Meals.....850-431-3663

In addition to our regular patient meal service, the hospital offers guest meals for a nominal fee. Family members must purchase their meals in the cafeteria. The guest meal will be delivered with the patient's meal.

Doctors' Dining Room.....850-431-5964

The "Doctors' Dining Room" is a private dining room located on the ground floor of the Hospital. Staff physicians may take advantage of the continental breakfast from 7:00 am to 9:00 am and lunch from 11:00 am to 2:00 pm

Hospital Services

EMERGENCY CENTER – NORTHEAST 850-422-5413

Physician Line.....850-431-7729

The Emergency Center – Northeast is a free-standing emergency center that accommodates nearly 46,000 patient visits a year. Its 30,000 square feet houses two nurses' stations, a CT scanner, X-ray unit, a pharmacy and a large laboratory. There is easy access from the ambulance drop-off to two large resuscitation rooms. The Children's Center at Emergency Center – Northeast offers nurses with specialized pediatric training, access to Board Certified Pediatric Emergency Physicians. This facility offers state of the art technology and an ambulance onsite to ease the admission process for admitted patients to Tallahassee Memorial HealthCare.

EMPLOYEE ASSISTANCE PROGRAM..... 850-431-5190

The Employee Assistance Program (EAP) provides free, confidential, short-term counseling and assessment for a broad range of behavioral, personal and family challenges. The EAP can assist employees and their household members (16 yrs. And up) with challenges related to, but not limited to, stress, change, anxiety, depression, grief, loss, work performance, relationship problems, parent/child and elder issues, legal and financial difficulties, mental and emotional illness, work-life balance, and problems caused by the misuse of drugs or alcohol.

The EAP also provides consultation to Managers regarding the referral of colleagues to the EAP. The EAP provides training for managers to communicate the EAP's purpose and referral procedures as well as to support and enhance the colleague's vocational success. Customized training and resources can be provided to work groups upon request. EAP is available to provide debriefings after traumatic incidents internally and within the community.

ENDOSCOPY SERVICES 850-431-2878

Endoscopy Services is located on 4C. This service provides diagnostic and therapeutic inpatient and outpatient procedures relating to gastrointestinal and pulmonary systems for adults and children. The majority of procedures fall into the following categories: Panendoscopy, Colonoscopy, Bronchoscopy, Endoscopic Navigational Bronchoscopy, Endoscopic Retrograde Cholangiopancreatophy, and Gastrointestinal Endoscopic Ultrasound - all done with the physician in attendance. Patient comfort is our focus. Although most procedures are performed in the Endoscopy Unit, mobile equipment allows for treatments to be done anywhere in the hospital. Fluoroscopy is available on the unit for the required procedures. Esophageal motility and pH studies are performed in this department.

ENVIRONMENTAL SERVICES DEPARTMENT 850-431-5419

The purpose of Environmental Services is to provide a clean, safe, sanitary, neat and orderly environment.

FAMILY MEDICINE RESIDENCY PROGRAM.....850-431-5430

The Family Medicine Residency Program at Tallahassee Memorial, located at 1301 Hodges Drive, is a full-scale family medicine practice, offering continuing care and

Hospital Services

comprehensive services to all ages, including pediatrics; inpatient medicine; OB/GYN; and specialty clinics. TMH is proud to be the home of the oldest family medicine residency in Florida, having trained physicians for over 50 years. The residency is fully accredited as a teaching facility - training family medicine physicians for our Big Bend community and across the globe. Specialties at the residency include Family Medicine, Pediatrics, Internal Medicine, OB/GYN, Behavioral Science, Addiction Medicine, Adolescent Medicine, and Pharmacology. With more than 60 providers, the TMH Family Medicine Residency Program is one of the largest primary care providers in the Southeast.

GENERAL SURGERY RESIDENCY PROGRAM,

FSU COLLEGE OF MEDICINE.....	850-431-8460
Program Coordinator.....	850-431-5567
Administrative Assistant.....	850-431-8460
Patient Information.....	850-877-5183

The Florida State University College of Medicine General Surgery Residency Program at TMH is the first general surgery program in the Panhandle region of Florida, taking its first residents in July 2016. The program is accredited by the Accreditation Council for Graduate Medical Education, taking 2 categorical and 2 prelims each year. The goal of this program is to develop well-rounded general surgeons that will be capable of practicing in a rural setting or a large academic institution.

HEALTH INFORMATION

MANAGEMENT SERVICES.....	850-431-7975
--------------------------	--------------

Health Information Management Services processes and maintains the clinical record of treatment provided to all hospital inpatients as well as those patients treated in the emergency center and outpatient units. The Department also is responsible for transcribing dictated reports, coding diagnoses and procedures for these types of patients. Additional services provided by the department include release of medical information and filing of Birth Certificates with the Office of Vital Statistics.

The Health Information Management Services Department scheduled office hours are 8:30 AM – 5:00 PM, Monday – Friday. The HIMS Department is eager to assist Tallahassee Memorial HealthCare’s medical staff and their office in any way possible. Please contact one of the department’s managers for additional information related to the services provided by the Department.

HEART AND VASCULAR CENTER

Administration.....	850-431-2727
---------------------	--------------

Tallahassee Memorial HealthCare’s Heart and Vascular Center provides diagnostic, interventional, and surgical services for the heart and vascular patient. Tallahassee Memorial is an accredited Chest Pain Center PCI and Resuscitation. To transfer a patient needing urgent heart attack care, call the Tallahassee Memorial Transfer Center at 850-431-4196. An operator will assist you with the transfer.

Hospital Services

Cardiopulmonary Rehabilitation 850-431-7095

The outpatient Cardiopulmonary Rehabilitation program provides individualized treatment and fitness plans for cardiac rehabilitation on Monday, Wednesday and Friday and pulmonary rehabilitation on Tuesday and Thursday. Participants develop healthy behaviors through exercise and education programs that support healthy lifestyle changes. The program is located on the first floor of the Southern Medical Group building. Hours are from 8:00 am to 5:00 pm. Participants should come dressed to exercise on their first visit.

Diagnostic & Interventional Suite (CATH LAB) 850-431-5665

Procedures include Left and right heart catheterization, percutaneous coronary intervention, CTO, structural heart, LV assist devices, peripheral studies and peripheral intervention including Pulmonary EKOS.

Electrophysiology (EP LAB) 850-431-5665

Procedures include electrophysiology studies; atrial, AV node and ventricular ablation using radiofrequency and/or Cryo; Convergent; LA Appendage closure; lead extractions; device implants with a variety of pacemakers, event monitors and automatic implantable cardiac defibrillators including MRI compatible devices.

Non-Invasive Diagnostics (CVL) 850-431-5016

Outpatient scheduling for the Cardiovascular Lab is done in the department by calling 850-431-2778 (APPT). A diagnosis and the reason for the test must be provided. Outpatients should report to the Cardiovascular Lab 30 minutes prior to their scheduled appointment time, with the exception of persons scheduled after 3:00 pm. Any outpatient scheduled after 3:00 pm, should report to Central Registration which is located inside the Atrium.

The Cardiovascular Lab is located on 2B. The following cardiovascular and peripheral vascular procedures are provided:

EKG	7 days/week, 24 hours/day
Holter Monitor	7 days/week, 24 hours/day
Stress Testing (<i>On inpatients as needed</i>)	Monday - Friday, 7 am - 4 pm
(<i>Requires credentialed Physician to supervise</i>)	Saturday/Sunday, on call 8 am - 12 pm

Preparations for Stress Test: No solid food, **no caffeine for 24 hours**, or smoking four (4) hours prior to exam. Clear liquids are allowed up to 3 hrs. before scheduled test.

Echocardiogram	2D/M-Mode/Doppler
	Monday - Friday, 7 am - 5 pm
	Saturday/Sunday and most holidays, 8 am - 5 pm
	<i>After hours for emergencies (on call 365 days/24 hours)</i>

Transesophageal Echo (TEE)	Monday - Friday, 8 am - 3 pm
(<i>Requires credentialed physician to perform</i>)	
Stress Echo	Exercise and Pharmacologic
(<i>Requires credentialed Physician to supervise</i>)	Monday - Friday, 8 am - 3 pm

Hospital Services

Tilt Table <i>(Requires credentialed Physician to supervise)</i>	Monday - Friday, 8 am - 3 pm
Carotid Duplex Scan	Monday - Friday, 8 am - 4 pm Saturday/Sunday and most holidays 8 am - 4 pm
Lower Extremity Bypass	Monday - Friday, 8 am - 4 pm
Upper & Lower Extremity PVR	Monday - Friday, 8 am - 4 pm

Outpatient and Procedural Care Unit Pre-Care850-431-7310

Post-Care 850-431-7340

The Outpatient and Procedural Care Unit consists of a 13-bed outpatient area for pre-procedure workup, and a 14-bed observation area for pre and post procedural care and discharge. Patients may be admitted for pre and post care when undergoing procedures in the EP Lab, Cardiac Cath Labs, and Cardiovascular Labs.

HIPAA PRIVACY OFFICE850-431-7974

The TMH HIPAA Privacy office supports and oversees the HIPAA Privacy Rule processes and policies that TMH has in place regarding the protection of patients’ health information. For questions and concerns relating to the protection and confidentiality of patient information or for reporting of suspected HIPAA violations, please call the HIPAA Privacy office.

HIPAA INFORMATION SECURITY 850-431-5955

The TMH HIPAA Information Security Office supports and oversees the HIPAA Security Rule processes and policies that TMH has in place regarding the protection of patients’ electronic health information. For questions and concerns relating to the protection and confidentiality of electronic patient information or for reporting of suspected HIPAA security violations, please call the HIPAA Information Security Office.

HOME HEALTH CARE850-431-6800/ FAX 850-431-6855

Tallahassee Memorial’s Home Health Care professionals, located at 1619 Physicians Drive, provide a variety of home care services. Nursing, physical, speech and occupational therapy, medical social services and home health aide services are available. A physician’s order is required for a referral and the patient must be homebound to qualify for services. Call this department for more information or to make a referral. License # 20480096.

HOSPICE INPATIENT UNIT850-431-4677 or 850-431-5310

First Commerce/Big Bend Hospice opened an 8-bed inpatient unit on 3BS in November 2023.

INSTITUTIONAL REVIEW BOARD (IRB) 850-431-2522

The Institutional Review Board (IRB) at Tallahassee Memorial HealthCare, Inc. (TMH) assures the rights and welfare of the human participants involved in research at TMH are adequately protected and that human participants are not exposed to inappropriate risks. All research involving human participants at TMH must be submitted in writing and approved by the IRB. The IRB office is located at 2110 Centerville Road, Suite C.

Hospital Services

**INTERNAL MEDICINE RESIDENCY PROGRAM,
FSU COLLEGE OF MEDICINE..... 850-431-7900**
Program Manager.....850-431-7910

We are The FSU College of Medicine Internal Medicine Residency Program at Tallahassee Memorial Hospital, educating 33 highly professional, competent, diverse, outstanding physicians with excellent communication skills, and empathy in a community hospital with an academic sponsorship. The program is sponsored by the Florida State University College of Medicine, operates in conjunction with Tallahassee Memorial HealthCare and is ACGME accredited.

LABORATORY 850-431-5244

A complete range of diagnostic testing is available in the Laboratory at Tallahassee Memorial. A pathologist is available at all times for consultation. A pathologist can be reached at 850-431-5888 during normal business hours or at 850-877-5915 after hours.

OUTPATIENT SERVICES:

Tallahassee Memorial’s Outpatient Laboratory Services for all routine adult outpatients can be seen at Southern Medical Group (SMG), 1300 Medical Drive, Monday through Friday from 7:00 am to 5:00 pm. Outpatient orders must be given to the patient on a prescription pad for them to take to SMG.

Nights, Weekends, and Holidays

For these **special cases**, patients should be referred directly to the **Main Hospital Laboratory**. The main laboratory is located on the first floor in the hospital’s North Wing. It is just above the gift shop. Patients may enter the hospital through the Atrium after hours. Outpatient orders for this location must be given to the patient on a test requisition or prescription pad. Please provide any special instructions for the reporting of results after hours. All lab outpatients must be registered in Central Registration first before coming to the Lab.

**LIPID CENTER, SEE
“TMH PHYSICIAN PARTNERS: ENDOCRINOLOGY,
OBESITY, & DIABETES” 850-431-5404**

MARKETING & COMMUNICATIONS850-431-5875

The Marketing & Communications office develops and implements communications and marketing plans for TMH. This includes advertising, media relations, social media, special events, websites, video, newsletters and brochures. Any media visits to the premises of any TMH facility must be coordinated through the Marketing & Communications office.

MEDICAL MUSIC THERAPY850-431-7468

TMH’s Medical Music Therapy department is a collaborative program with Florida State University. Board-Certified Music Therapists provide services to patients and families on all units of TMH’s Main Hospital, NICU, Mustian Center, Rehab Center, Cancer Center, and Outpatient Pediatric Rehab Center as well. The Music Therapy team also provides services to members of the community through various programs, including Little Ones Music Play and the NICU follow-up program. Benefits of music therapy include, but are not

Hospital Services

limited to decreasing pain perception, managing anxiety, decreasing agitation, enhancing coping skills, increasing relaxation, and rehabilitation of physical, cognitive, and communication abilities.

MEDICAL STAFF OFFICE.....850-431-5121

The Medical Staff Office is located on the ground floor of Tallahassee Memorial Hospital and provides the following services:

- Initial and reappointment credentialing for physicians and allied health professionals
- Medical Staff reappointment processing
- Processing of requests for additional privileges and services
- Orientation of new members of the Medical Staff
- Medical Staff identification badges
- Development, revision and documentation of Medical Staff Bylaws and Rules & Regulations
- Staff support for competency assessments and peer reviews
- Intranet listing of current Medical Staff directories
- All communication to the Medical Staff
- Parking decals for credentialed physicians and allied health professionals
- Calendar of Medical Staff meetings and activities
- Facilitation of Medical Staff meetings, including the Credentials Committee and Medical Executive Committee
- Maintenance of credentials and quality files for physicians and allied health professionals
- Facilitation of audits with delegated entities
- Facilitate EPPE/OPPE in collaboration with the Organizational Improvement department.

NEURODIAGNOSTIC DEPARTMENT.....850-431-5182

The Neurodiagnostic Department, located on 4B South, provides the following outpatient and inpatient testing services: EEGs are performed in the department's exam rooms with portable testing done at bedside on high-risk patients; seizure monitoring (long-term Video EEG Monitoring). OR monitoring of EEG or EP is a scheduled service performed on selected cases where the brain or spinal cord is determined to be at risk during surgery.

Availability: Procedures are performed during regular office hours: Monday - Friday, 8:00 am - 4:30 pm. Outpatient procedures may be scheduled via phone call from a physician's office during office hours. After hours: a technician is on call for STAT EEGs on high-risk hospital patients. Coverage is provided by a technologist available to be called in on phone number 850-544-6830.

NEUROSCIENCE SERVICES

Tallahassee Memorial HealthCare's Neuroscience Program boast unparalleled expertise in North Florida and South Georgia. TMH is home to the region's only Comprehensive Stroke Center, the only Neuro Intensive Care Unit and specially trained physicians,

Hospital Services

who provide the most innovative treatments for a variety of conditions from strokes and traumatic brain injuries to epilepsy, seizures, headaches, memory disorders and movement disorders. The program encompasses the following practices and services:

TMH Physician Partners - Neurology850-431-5001

TMH Physician Partners - Neurology provides high-quality neurological care for patients dealing with ailments, diseases, or injuries to the brain, spinal or nervous system.

Operating as a hub of medical treatment, research, education and support, our physicians treat a wide variety of conditions for patients and their families, including:

Memory Disorder Clinic

The Memory Disorder Clinic at TMH Physician Partners - Neurology cares for patients with a variety of memory disorders, including Alzheimer's disease, dementias and more. Treatment includes a comprehensive diagnostic evaluation, caregiver training, family support, education/training for caregivers and professionals as well as the opportunity to participate in research studies.

Multiple Sclerosis

TMH Physician Partners - Neurology physicians are trained to diagnose and treat individuals with suspected, early-onset and established Multiple Sclerosis (MS). We work to treat the physical, emotional, and cognitive challenges patients with MS face by providing expert neurological treatment, education about symptom management, community resources and family support, physical, occupational, and speech therapy as well as neuropsychological and pharmacological evaluations.

Neuropsychology

TMH Physician Partners – Neurology's trained neuropsychologists utilize assessment methods to evaluate, treat, and rehabilitate individuals with suspected neurological or psychological problems. These lengthy and comprehensive assessments are used to identify underlying causes of problems such as forgetfulness, inattention and word finding difficulties.

Pediatric Neuropsychology

TMH Physician Partners – Neurology's trained pediatric neuropsychologists provide specialized and comprehensive evaluations and treatment services for children with complex medical illnesses, neurobehavioral disorders, and psychiatric concerns.

Movement Disorders

TMH Physician Partners - Neurology provides diagnostic and consultative services, a wide variety of treatment and symptom management options, educational classes, caregiver training, counseling and ongoing support for movement disorder patients and their families. The establishment of this program also offers patients in the Big Bend access to the latest treatment technology, Deep Brain Stimulation (DBS).

Hospital Services

Stroke..... 850-431-5052

Tallahassee Memorial is the region's only Comprehensive Stroke Center providing the highest level of care and most robust treatment options throughout North Florida and South Georgia. We follow national standards and guidelines in stroke care that can significantly improve outcomes for patients. Led by three endovascular neurosurgeons and a team of extenders, Tallahassee Memorial boasts a variety of revolutionary treatments for strokes, 24 hours a day, 365 days a year.

Pain Management850-558-1270

The Tallahassee Memorial Center for Pain Management treats patients suffering from debilitating and chronic pain. Located at 2824 Mahan Drive #2, the TMH Center for Pain Management is a licensed ambulatory surgery center that provides interventional pain procedures and a clinical practice from specially trained pain physicians.

Neurosurgery 850-877-5115

Utilizing both traditional and minimally invasive techniques, Tallahassee Memorial's neurosurgeons provide the area's most advanced and innovative neurosurgical techniques to treat injuries, ailments or disease of the brain, spine, spinal cord, and peripheral nerves. Tallahassee Memorial is the region's only Comprehensive Stroke Center offering the most advanced surgical stroke interventions.

NUCLEAR MEDICINE DEPARTMENT 850-431-2363

Nuclear Medicine Department services are available 24 hours a day, 7 days a week. All routine exams are done between the hours of 7:00 am and 5:00 pm, Monday through Friday. Between the hours of 5:00 pm and 7:00 am, and on weekends, holidays, emergency and after-hours studies are done on a "call back" basis.

The requesting physician or his/her office can schedule patients by calling the TMH Scheduling department, or patients can schedule themselves by visiting the Scheduling Department and presenting signed orders from their doctor. All written orders should contain the patient's name, description of exam ordered, pertinent clinical history and physician's signature. The requesting physician's office should call the Nuclear Medicine department if they have specific questions about a particular exam.

NURSING SERVICES:

Angie Deeb Cancer Unit (ADCU) Inpatient 850-431-1794

The ADCU is a 31-bed oncology medical/surgical inpatient unit, located on 7A, primarily engaged in the care and treatment of patients with blood diseases (hematology) and cancer (oncology). This may include patients admitted for pain and symptom management, chemotherapy, radiation therapy, surgery, palliative care, and end of life care. A registered nurse unit manager is responsible for oversight of patient-family care. Registered nurses and patient care assistants provide direct patient care. Curative, adjuvant, post-surgical care, palliative, and end of life care are all provided in a supportive and compassionate environment.

Hospital Services

Cardiac Progressive Care Unit (CPCU)

Rooms 3311 – 3352.....850-431-3394

The Cardiac Progressive Care Unit (CPCU) is a 41-bed step-down unit located on 3North. This unit specializes in care of the patient with chest pain, congestive heart failure, device therapy and heart rhythm disturbances. We care for patients who require open heart surgery pre and 24-hours post op, and interventional procedures such as Mitraclip, TAVR, convergent, and Watchman.

Cardiovascular-Medical Surgical.

Intensive Care Unit.....850-431-1155 Ext. 33100

The Cardiovascular-Medical Surgical Intensive Care Unit is a 24-bed unit located on the third floor of the Mustian Center. Unit resources are directed toward care of the adult patients with cardiovascular, thoracic, surgical and medical critical care needs.

Clinical Decision Unit (CDU)..... 850-431-1294

The Clinical Decision Unit (CDU) provides prompt assessment and initiation of treatments for newly admitted patients who are in the hospital for either an outpatient procedure, ongoing observation to rule out a pending diagnosis or rule in for a definitive diagnosis. The CDU is a 28-bed nursing unit with private rooms and cardiac telemetry capability and pulse oximetry monitoring. The CDU patient population, although focused on the delivery of cardiac care, is diverse with medical, surgical and procedural patients ranging from young adults to the geriatric population.

Diabetes Medical Care Unit (DMCU)..... 850-431-3000

Diabetes Medical Care Unit (DMCU) is an 18-bed medical/surgical telemetry monitoring unit. Our goal is to provide efficient, quality, individualized and comprehensive nursing care to all patients.

Dialysis 850-431-1542

The Inpatient Dialysis Unit on 5BN is fully staffed by all registered nurses under the direction of North Florida Nephrology Associates physician group. Services include Hemodialysis treatments for hospitalized chronic dialysis patients; pre- and post-operative patients; patients in acute renal failure patients and any emergencies requiring dialysis. Peritoneal dialysis is also provided for hospitalized patients and outpatients. Portable equipment allows the nurses to provide dialysis treatments anywhere in the hospital when the patient is unable to be transported to the dialysis department on 5BN. Hours of operations are Monday through Friday, 7:00 am to 6:30 pm and Saturday, 7:00 am to 3:30 pm During non- business hours, a nurse on call provides emergency dialysis as prescribed by the on-call Nephrologist.

Internal Medicine Unit..... 850-431-1594

The Internal Medicine Unit, located on the fifth floor of the main hospital, is a 37-bed inpatient medical/surgical/telemetry unit. On the Internal Medicine Unit patient care is provided around the clock in a nurturing environment to adults ages 18-100+. The highly skilled colleagues of the Internal Medicine Unit specialize in the care of patients who are

Hospital Services

being treated for pulmonary, cardiovascular, gastrointestinal, genitourinary, and metabolic conditions.

Neuro Cardiac Intermediate Care Unit (NCIMCU)..... 850-431-1155 Ext. 35100

The Neuro Cardiac Intermediate Care Unit (NCIMCU) is a 24-bed stepdown unit located on fifth floor of the Mustian Center. This unit specializes in the care of stroke, traumatic brain injury, spinal cord injury, trauma, heart failure, arrhythmia management and post heart catheterization.

Neurology/Neurosurgery Unit.....850-431-4494

The Neurology/Neurosurgery Unit is a 33-bed unit located on the 4th floor of the north wing with 21 private rooms and 6 semi-private rooms and is a dedicated remote telemetry monitoring unit. The staff on this unit provide care for patients with neurological deficits secondary to closed head injuries, spinal cord injuries, strokes, epilepsy, meningitis, sports injuries, back surgeries, and major trauma. The RN can also gain valuable experience from a general medical surgical standpoint as well. From admission to discharge, the patient's plan of care is interactively coordinated by the RN in collaboration with members of the multi-disciplinary team. The nursing staff is dedicated to compassionately providing competent care by educating, aiding, rehabilitating and counseling the Neurology patient and including their loved ones. The entire Neurology team is committed to delivering exceptional patient-and-family-centered care in a nurturing environment, while advancing practice that is evidence-based.

Orthopedic Center 850-431-1694

The Orthopedic Center is a 30-bed medical/surgical inpatient unit located on 6th floor providing care for adult orthopedic and trauma patients. This care unit is dedicated to providing the highest quality of patient care in every aspect of orthopedics. Working directly with orthopedic surgeons, hospitalists, physical therapists, case managers and excellent orthopedic nursing staff, we provide evidence-based patient-centered programs that ensure smooth delivery of care across the spectrum from pre-admission to post discharge back to the home setting with Home Health Care or Outpatient Rehabilitation services or further care at TMH's inpatient Rehabilitation Center. We are the region's quality and volume leader in joint replacements, the only regional provider with dedicated orthopedic trauma surgeons, and a provider of comprehensive hip fracture care, including secondary prevention education via our participation in the "Own the Bone" program.

Outpatient Infusion at the Cancer Center.....850-431-1712

Working with the Angie Deeb Cancer Unit, Outpatient Infusion is a 37 chair /2 bed outpatient facility with 8 lab draw chairs, which provides infusion services for anti-cancer therapy as well as other infusions for autoimmune diagnoses and management of other hematological diseases. All of our infusion Registered Nurses have completed the Chemotherapy and Biotherapy Infusion course with the Oncology Nursing Society to be able to provide chemotherapy and biotherapy treatment. We also provide a vital service of Nursing Navigation and Social Work to assist patients with arranging medical care, access to social programs and counseling. We have additional support services such as

Hospital Services

lab services, dietician services, support groups along with pet therapy and art therapy during treatment.

Radiation Therapy is conveniently located in the same building with a different nursing department, and we all work together for our patients receiving concurrent treatments. Outpatient infusion is located at 1775 One Healing Place.

Postoperative Care

(3A)	850-431-1394
(3C).....	850-431-3200

The Postoperative Care Unit (PCU) is a 45-bed medical/surgical unit located on the third floor of the main hospital. The 3A nursing station has 28 private rooms and the 3C nursing station has 17 private rooms. The staff on this unit provides care for patients undergoing gynecological, urological, eye/ear/nose/throat, vascular, plastic, bariatric, abdominal and general surgery. Our goal is to provide skilled, competent and personal care to each patient, to protect the safety, well-being and privacy of the patient, to involve the patient's support system and to promote wellness through discharge education.

Vascular Access Team (Inpatient).....	850-431-5254
Nurse Manager.....	850-431-2548

The Vascular Access Team staff at TMH is composed of vascular access specialty nurses who, because of their high-level training and education, are extremely competent in most appropriate vascular access devices. Several nurses on the team VA-BC certified in the area of their profession. The department provides services to all 35 departments. Services that are provided include: Difficult IV starts, PICC and Midline insertions using 3CG technology, InfusaPort care and maintenance, diagnostic skin testing, declotting central lines with thrombolytic agents, code team participation, and outpatient services.

The Vascular Access Teams also acts as consultants and is a resource to the medical staff as well as other medical facilities in North Florida and South Georgia.

Vascular Access Team (Outpatient).....	850-431-5254
Nurse Manager.....	850-431-2548

This innovative vascular access service is designed to meet the needs of patients and physicians. Patients are provided with fast, convenient, cost-effective and quality care for all vascular access procedural needs. The Vascular Access Team works closely with central registration to streamline registration and perform the needed procedure in a timely manner within their newly designed private outpatient area.

Outpatient services offered include evaluation and placement of Peripherally Inserted Central Catheters, Midline Venous Catheters, patient and family education, care and maintenance of central lines including checking for and restoring patency in addition to Infusaport access and deaccess, dressing changes and lab studies as ordered.

Vascular access services are open from 7:00 am to 3:00 pm, Monday thru Friday.

Call the Vascular Access Team services at 850-431-5254 for more information. *Physicians' orders may be called in or faxed to Fax number 850-431-6312. Appointments are required.*

Hospital Services

Vogter Neuro Intensive Care Unit (VNICU).....850-431-1155 Ext. 34100

The Vogter Neuro Intensive Care Unit is a 24-bed ICU located on the fourth floor of the Mustian Center. This unit specializes in the care of patients with traumatic injuries, spinal cord injuries, strokes, acute neurological conditions, traumatic brain injuries, and those requiring pre- and post-operative surgical and neurosurgical critical care. TMH is designated as a Brain and Spinal Cord Injury Acute Care Facility by the State of Florida Department of Health. Also, TMH is a Joint Commission Certified Stroke Center.

NUTRITION ACUTE CARE CLINICAL SERVICES850-431-5922

An experienced staff of Registered Dietitians & Specialists provide services including malnutrition screening & diagnosis, patient assessment, nutrition intervention and follow-up care, diet education, and physician support with enteral & parenteral nutrition. Educational lectures on a variety of nutritional topics are available to professional clinical staff, businesses, and community groups. Please call for more information.

NUTRITION OUTPATIENT SERVICES, SEE

“TMH PHYSICIAN PARTNERS – ENDOCRINOLOGY, OBESITY

& DIABETES” 850-431-5404

OFFICE OF RESEARCH850-431-0674 (or 850-431-4797)

The Office of Research is responsible for the development and implementation of institutional research initiatives and standards to ensure the highest quality of research at TMH. By optimizing collaboration and leveraging TMH administrative systems, the Office of Research endeavors to deliver outstanding support services and training that help our researchers to succeed. Building interdisciplinary research collaborations that address community needs and increasing the volume, impact, and prominence of our research is part of the TMH strategic plan. The Office of Research is intended to be a resource for all researchers: Residents, Physicians, Nurses, Pharmacists, Behavioral Scientists, and other colleagues.

ORGANIZATIONAL IMPROVEMENT850-431-2132

Organizational Improvement (OI) is staffed by professionals with clinical, engineering, statistical, educational and information-management backgrounds. OI collaborates with TMH colleagues and medical staff personnel to provide useful information and use improvement methodologies (Lean-Six Sigma) and change management to enhance patient outcomes and care processes that are highly reliable, effective and efficient. Their goal is to support the colleagues and medical staff in achieving excellence in quality, safety, and efficiency based on national standards. This is done through project facilitation, process improvement, data analysis, direct observation, training and tool sharing, as well as change management. Organizational Improvement departments include *Accreditation, Decision Support & Epic Business Intelligence, Infection Prevention, Lean Services, Pain Management, Project Management and Quality*. The main office is

Hospital Services

located on the ground floor of the hospital. Additional offices are located at 1310 North Magnolia Drive and 1326 E. Sixth Avenue.

Accreditation.....850-431-5487

The regulatory and accreditation team is a part of the Organizational Improvement department. The team's main focus is to ensure that the hospital meets the regulatory requirements and standards of the Centers for Medicare and Medicaid Services (CMS) and the Joint Commission. The team provides guidance, education, and support to all hospital staff and departments on CMS and Joint Commission related matters. The team also conducts regular audits, surveys and mock inspections to assess and improve the hospital's compliance and readiness. Offices are located at 1300 Micosaukee Road.

Decision Support & Epic Business Intelligence850-431-4938

Decision Support professionals employ data analytics tools and methods to improve organizational decision making. Useful information is presented to decision makers throughout TMH using data analysis, statistical techniques, and business intelligence technologies to provide historical, current, and predictive views of healthcare operations. We also provide training in data literacy and QLIK dashboard applications. Offices are located at 1326 East Sixth Avenue and 1860 Capital Circle NE.

Infection Prevention.....850-431-6152

The Infection Prevention team observes patterns of infections throughout TMH and advises on the prevention, control, investigation, and surveillance of the same. They use surveillance definitions from the Center for Disease Control and Prevention (CDC), and National Healthcare Safety Network (NHSN). They also monitor practices, educate healthcare teams, compile infection data, develop policies and procedures, and coordinate with local and national public health agencies. The Infection Prevention office is located at 1401 Centerville Road, Azalea Building, Suite 502.

You may contact Infection Prevention outside normal business hours with any urgent/emergent questions/concerns through Voalte. Search "Infection Prevention" and select the "IP on Call."

Lean Services.....850-431-4936

Performance Improvement is a planned, systematic approach for using data to make decisions and guide improvement actions to get better results. It involves organizational cooperation to meet common goals and aims to support each colleague's ability to produce the best result possible. Lean Services professionals work directly with TMH colleagues and medical staff to improve patient outcomes and care processes. Scientific improvement methodologies (PDSA & Lean Six Sigma), human factors engineering, and change management are used to improve existing processes, and create new processes that are highly reliable, effective, and efficient. We aim to eliminate waste and enable smooth process flows by employing the best known, simplest, repeatable way to safely accomplish a task. We also provide training in PDSA, Lean Six Sigma, and change management. Offices are located at 1326 East Sixth Avenue.

Hospital Services

Pain Management850-431-9396

The Pain Management Clinical Nurse Specialist is an advanced practice nurse who improves patient care through direct practice, clinical & professional leadership, expert coaching and guidance, consultation, collaboration, education, promoting quality improvement, evidence-based care, and staff development. The Pain Management CNS can be reached for consultation Monday-Friday from 7 am – 4 pm on Voalte by going to the Directory, searching “pain”, and selecting Pain-CNS. A pain management consult includes an assessment, a review of the current pain management plan, and optimizing it with the patient and care team. The Pain Management CNS often utilized non-pharmacologic techniques such as guided imagery and Therapeutic Touch to enhance comfort. For Therapeutic Touch services, please see Therapeutic Touch in this guide or Voalte the Pain-CNS.

Therapeutic Touch (TT) is a healing method that uses focused intention, compassion, and energy to restore balance throughout the body. Research has shown that Therapeutic Touch is beneficial in relieving symptoms such as pain, nausea, and anxiety and can promote relaxation and a sense of well-being. A TT session actually involves very little physical touch; for the most part, hands stay about 4-6 inches away from the body. A seated session typically takes approximately 10 minutes, and the recipient remains full clothed. Therapeutic Touch is provided to patients by trained, competent providers. TT is available to patients and colleagues most weekdays from 7 am-4pm. To request TT follow the instructions below:

- In Voalte, go into the Directory and search “therapeutic.”
- Choose Therapeutic Touch Team and select all to message the last name and room number of the patient who would like to try Therapeutic Touch.
- If the request is for a colleague, please share your location when your shift is over.

Project Management Office.....850-431-5492

The PMO provides Portfolio, Project, and Program Management leadership with communication planning, quality assurance, risk mitigation, issue resolution, budget and project timeline/task tracking, project status reporting, and business analysis processes. We are a group of seasoned Project Managers, Quality Managers, Business Analysts, Project Coordinator, and Change Control Analysts. As a services department, we are chartered by the Executive Team to lead a variety of TMH HealthCare projects and changes process activities. The PMO is used to boost efficiency, cut costs, and improve on project delivery in terms of time and budget. The PMO helps TMH by providing the structure needed to both standardize practice and to facilitate the implementation of change through the use of repeatable processes and industry best practice methodologies. The PMO staff utilizes a consistent project management approach that is based upon the methods, techniques, and best practices defined by the Project Management Institute (PMI) and the International Institute of Business Analysis (IIBA). Offices are located at 1221-A Hodges Drive.

Hospital Services

Quality.....850-431-5487

The Quality Department works directly with the Medical Staff to improve patient safety and reduce harm by using evidence-based best practices; leads physician peer review committees; assists medical staff with physician-focused professional practice evaluations (FPPE), physician appointments/reappointments, and ongoing professional practice evaluations (OPPE); and supports clinical efforts throughout TMH to deliver safe, high-quality patient care. Offices are located at 1300 Miccosukee Road.

ORTHOPEDIC SERVICE

Tallahassee Memorial HealthCare’s Orthopedic Program carries the prestigious Blue Distinction Center + designation for quality and expertise in orthopedic surgery and care. As the most orthopedic center in our region, TMH cares for all types of orthopedic trauma, and elective orthopedic surgical patients. Our multidisciplinary approach, including nursing, physician therapists, and nurse navigation guides.

Orthopedic Services.....850-431-7017

Orthopedic Services has indirect accountability for the Orthopedic Center. This area supports physician outreach and the development of new rehabilitation clinics in the regional service area. TMH has received The Joint Commission Total Hip and Total Knee Certification. Also, they work in cooperation with the Surgical Services Service Line to increase orthopedic access to operating room time and improve operating room efficiency.

Patient Access is a department comprised of several integrated systems. These systems include Scheduling, Pre-Admission, Pre-Admission Testing (lab, EKG, X-Ray, pre-operative or pre-procedural interviews), Registration, Insurance Verification & Authorization, OB Program and Admission Coordination. The mission of Patient Access is to ensure customer satisfaction by creating an organized and centralized approach to hospital services. Our goal is to maintain our competitive advantage as the primary health care provider in the community.

The purpose of the Department is to schedule, pre-admit, quote prices, register, pretest (labs, X-Rays, EKGs, etc.), and admit all outpatients and inpatients for all services/ departments of the Hospital.

All information on scheduled events is processed prior to the arrival of the patient to ensure all necessary clinical and business preparations have been made prior to the day of the procedure. Patient Access also serves as the pricing center for the Hospital. Price quotes for procedures can be obtained by calling 850-431-5497.

Wheelchair assistance is available at the patient drop-off area in the parking deck.

Patient Access Hours: Monday – Friday, 5:30 am – 7:00 pm

Patient Financial Services handles all processes involved with the collection of payment for hospital services. The various departments within Patient Financial Services function to prepare and submit insurance claim forms and follow-up with insurance carriers. Statements are sent to patients notifying them of their liability, and Customer Service may be contacted at 850-431-6200 with questions regarding their account. This department also handles all posting of remittances, legal, probate and bankruptcy accounts.

PATIENT EXPERIENCE 850-431-5488

The Patient Experience department collaborates to create a lasting, positive impression for all patients, visitors, and community at Tallahassee Memorial HealthCare. The department adheres to the core concepts of Patient and Family-Centered Care. They are collaborative colleagues that assist in supporting the healing journey by being compassionate listeners, empowered partners, and respectful champions. The department assists with open communication, collaboration amongst teams, providing a safe space to share feedback, and language line resources. The department reviews patient survey data to recognize the celebrations of successes and provide resources for services recovery opportunities.

Hospital Services

PHARMACY SERVICES850-431-6337

The main Pharmacy, 850-431-6337, is staffed 24 hours a day, seven days a week and provides pharmaceutical care for patients of TMH. Pharmacy staffing includes clinical pharmacists and pharmacy technicians who have been trained in the unique skills specific to the practice of hospital pharmacy. Unit-based clinical pharmacists are available in-patient care areas Monday through Friday from 7:30 am to 11:00 pm. Outpatient Oncology Pharmacy Services are available at 1775 One Healing Place Monday through Friday from 8:00 am to 5:00 pm. An oncology pharmacist can be reached at 850-431-5945. The Emergency Center-Northeast Pharmacy is also staffed 24 hours a day, seven days a week and a clinical pharmacist is available at 850-431-7741. Clinical pharmacy technicians are available 24/7 at the Bixler Emergency Center to complete medication histories and can be reached at 850-431-0902.

ProxsysRX – Retail & Specialty Pharmacy Services.....Fax 448-209-2010

The ProxsysRX is located at 1401 Miccosukee Road, Suite 1. They will provide bedside prescription delivery service for patients; free ship-to-home refills and on-campus prescription delivery and accept CHP & Florida Blue plans.

PREMIER HEALTH AND FITNESS CENTER..... 850-431-2348

Premier Health & Fitness Center, located at 3521 Maclay Boulevard, is a 55,000 square foot multi-purpose facility featuring an indoor track, full-size basketball court, two heated pools, hot tub, dedicated cycling studio, mind/body studio, racquetball court, cardio equipment, free weights, group exercise classes and more. Premier offers numerous health education opportunities, personal training services, childcare services, and other amenities, such as sauna, steam room and massage therapy.

REGIONAL HEALTH/POPULATION HEALTH/TELEHEALTH.....850-431-4043

The Regional Health/Population Health/Telehealth Department is involved in the strategic building and maintaining relationships with the rural hospitals and providers in our region while also increasing the access to specialty care at these facilities. The department focuses on improving population health through the provision of innovative solutions such as transitional care and telehealth. The Transition Center, located at 3333 Capital Oaks Drive, is a clinic under this department that provides care to many of our residents in need of transitional care. The Community Health Needs Assessment is also under this department, which is closely related to the department's initiatives to increase access to healthcare and health equity.

REHABILITATION CENTER / OUTPATIENT NEUROLOGICAL CLINIC / SLEEP CENTER SERVICE LINE

Rehabilitation Center850-431-5440

The Rehabilitation Center, located at 1609 Medical Drive, is a sub-acute nursing facility with a Rehabilitation focus that is part of the continuum of care at Tallahassee Memorial Hospital. The Rehabilitation Center offers a full range of medical and rehabilitation services, which include aggressive physical, occupational, speech, nursing and respiratory therapies. These services are designed to assist patients in attaining an optimal level of independence and returning home in the most expedient time frame.

Hospital Services

The Rehab Center accepts CHP, BCBS, private insurance, Medicaid, Medicare and private pay patients.

Outpatient Neuro Rehabilitation Clinic..... 850-431-5164

The Outpatient Neuro Rehabilitation Clinic, located in the Rehabilitation Center, provides advanced practice occupational, physical, and speech therapy for patients diagnosed with neurological disorders, balance & vestibular disorders, as well as other diagnoses. Cutting-edge technology and evidence-based practices are utilized to help patients retain and rebuild cognitive and physical health. Therapists hold certifications and expertise in:

- Vestibular & Balance Disorders
- Head & Neck Cancer
- Spinal Cord Injury
- Concussion
- Stroke/Aphasia
- Lymphedema
- Multiple Sclerosis
- Cognitive Retraining
- Swallowing Disorders
- Gait Retraining
- Parkinson's
- Voice Therapy
- Traumatic Brain Injury Rehab

RESPIRATORY CARE

Respiratory Shift Supervisor – Main Hospital	850-431-4203
Main Hospital In-House Supervisor	BEEPER #0911
Respiratory Shift Supervisor – Mustian Center	850-431-9342
Mustian Center In-House Supervisor.....	BEEPER #0150
Pulmonary Function Lab	850-431-5757
Manager.....	850-431-2542
Director	850-431-2540

The Respiratory Care Department is located on the 1st floor across from the Auditorium. They offer the following services: ventilator support and management, CPAP, Non-Invasive Positive Pressure Ventilation for the adult, pediatric and neonate patient. Elective and emergent intubations for all patient populations. Oxygen therapy, medicated aerosol therapy, PEP therapy, chest physiotherapy, Heliox, and Nitric Oxide therapy. Pulse oximetry, continuous oximetry, overnight oximetry with graphics are offered. Continuous monitoring is done only in the critical care units. Respiratory therapists respond to all Code Blue alerts, Trauma and Stroke alerts, and MET calls, as well as attend high risk deliveries and C-sections for airway management. Arterial punctures and arterial line insertions are performed by the department staff. The department transports ventilator patients internally or externally. External Neonatal transports are accompanied by a specially trained neonatal transport therapist.

Our Pulmonary Function Testing Lab (PFT) does complete pulmonary function testing for inpatients and outpatients Monday-Friday, 7:00 am to 5:00 pm. All procedures or tests must be ordered by a physician; inpatient services/orders are placed through electronic order entry; outpatients must present a prescription from the physician ordering services and a scheduled appointment is preferred, but not required.

The Pulmonary Function Lab at TMH offers inpatient and outpatient pulmonary function testing (lung function) to assist in diagnosing and managing patients with breathing problems and/or lung disease. Pulmonary function tests help measure the different aspects of lung function and can help determine the cause of shortness of breath and help confirm lung diseases such as asthma, bronchitis or emphysema. Pulmonary function tests can also be used to assess how a patient is responding to different treatments as well as indicate lung function to assist preoperatively for planning the patient's procedure/surgery. Orders may be entered electronically in Cerner for Complex or Simple Spirometry or faxed to 850-431-6488. For more information, please call 850- 431-5757.

Hospital Services

RISK MANAGEMENT DEPARTMENT850-431-5364

Cell.....850-933-4338

The Risk Management Department is located on the ground floor, behind the Credit Union and across from the Medical Staff Office. The Risk Management Department’s goal is to establish a joint effort of the governing body, medical staff, administration and all employees to provide a safe environment and quality patient care. The department identifies, investigates, analyzes and evaluates risks to correct, reduce or eliminate identifiable risks that may adversely affect patients and the public. Risk Management serves as a resource to all physicians, employees and customers.

Patient and family satisfaction is a primary goal of TMH. The Risk Management Department receives and responds to patients’ and families’ concerns whether they be for quality-of-care issues, patient safety or general concerns.

SECURITY/PUBLIC SAFETY 850-431-5186

Chief.....850-431-5184

Deputy Chief 850-431-5155

On-Duty Supervisor850-431-5186

The Security/Public Safety Department operates 24 hours a day to provide internal security coverage for the entire Tallahassee Memorial Hospital campus. They monitor all buildings for protection of property and provide shuttle service from Tallahassee Memorial’s parking lots for colleagues and customers. Security personnel serve as Information Officers by assisting customers with their needs and providing traffic control for the entire campus. Security provides escort service for colleagues, visitors and patients to their vehicles as needed. If no answer at the above phone numbers, please call the Hospital Operator, 850-431-1155 and they will page security.

SLEEP CENTER, SEE REHABILITATION 850-431-5186

SPIRITUAL CARE AND CPE 850-431-5867

As one of the five departments under the Marketing and Communications Division, the Department of Spiritual Care and CPE’s mission is to “promote the value of the human spirit in the health process.” Compassionate spiritual care involves serving the whole person, the physical, emotional, social, and spiritual. At TMH, clinically trained, Board Certified Chaplains, and Clinical Pastoral Education (CPE) residents and interns assess patients for spiritual distress or despair and facilitate spiritual well-being and healthy coping skills in patients, families, and TMH colleagues. Chaplains provide spiritual and emotional support to patients, families, and colleagues, collaborate with the interdisciplinary health care team, respond to Code Lavender requests on behalf of colleagues, attend all code blues, traumas, and deaths, participate in hospital committees (Ethics, Donor Council, Shared Governance, etc.) and provide a vital link between TMH and the faith group communities of the greater Tallahassee area.

Hospital Services

Chaplains are available in the hospital twenty-four hours a day, seven days a week, and can be reached by VOALTE under "Duty Chaplain." As a backup, chaplains may be paged at 850-490-0066.

The Department has an accredited CPE program, offering interfaith professional education for ministry for theological students and ministers of all faiths through a full-time residency program and part-time intern programs. The CPE program at TMH is accredited by the Association for Clinical Pastoral Education, Inc., (ACPE, Inc.) which is recognized by the U.S. Department of Education as an accrediting agency for education. More information on the TMH CPE program may be found at <https://www.tmh.org/services/spiritual-care>.

STRATEGY & PLANNING850-431-0909

The Strategy & Planning Department manages the organization's strategic and business planning process. Planning support includes assistance with developing Strategy and Operational plans, strategic planning facilitation, market data/research and analysis, and new program/service development. The office located in the Chief Health Operations Office.

SURGICAL SERVICES

Administrator850-431-1155 Ext. 31600

The Surgical Service Line at Tallahassee Memorial incorporates all aspects of care for the surgical / endoscopy patient from the scheduling of procedures, pre-operative teaching to the postoperative follow-up. The Surgical Service Line employs over 300 dedicated individuals whose goal is to operate the safest, most efficient, evidence-based, customer-oriented surgical service in the region. The service line is composed of:

Anesthesiology Department.....850-431- 1155 Ext. 31460

This Department is staffed by private Practice Anesthesiologists and their privately employed Certified Registered Nurse Anesthetists and Anesthesia Assistants. They provide 24-hour-per-day, 7-day-per-week anesthesiology care for patients referred by staff physicians in the Operating Suite, Cardiac Cath Lab, Labor and Delivery Suite, and Radiology Suite. They are also available for consultations on airway management, critical care medicine, pain management and cardiopulmonary resuscitations throughout the Hospital.

The Surgical Pre-Admission Clinic 850-431-1155 Ext. 38122

Under the leadership of the SCU, the Pre-Admission Clinic nurses conduct preoperative interviews on patients scheduled for a surgical procedure. The goal of this unit is to prepare the patient for their surgical day, thereby eliminating delays and cancellations commonly seen in the complicated patients who are not seen pre-operatively.

Hospital Services

[The Surgical Care Unit \(SCU\).....850-431-1155 Ext. 31242](#)

SCU is a dynamic fast paced unit, which cares for patients scheduled for surgical and surgical interventional procedures. The SCU staff is a dedicated group of highly trained nurses and other individuals who prepare the patient and their families pre-operatively for their hospital experience, as well as their discharge and care at home. The unit performs all of the pre-procedure preparations for AM-Admits, Outpatients and 23-Hour Observation patients. The unit also is a second stage recovery area, which prepares the outpatients for discharge to home.

[The Operating Room at TMH 850-431-1155 Ext. 31470](#)

The Tallahassee Memorial Operating Room is a level 2 trauma center and is comprised of 32 operating rooms with a highly experienced staff performing more than 17,000 cases per year. Using evidence-based practice, this dedicated team stays on the cutting edge and maintains infections rates lower than the national average. Employing state-of-the-art equipment and minimally invasive suites, the surgical team excels in all areas. Surgical specialties include open heart, neurosurgery, orthopedics, ENT, general surgery, gynecological surgery, Robotic surgery, urological surgery, laparoscopic surgery, laser surgery, plastic/reconstructive surgery, retinal surgery, ophthalmology surgery, neurovascular interventional surgery, vascular interventional surgery, trauma and minimally invasive surgery.

The Operating Room is staffed 7 days a week, 24 hours a day. Elective cases may be scheduled Monday through Friday between the hours of 8:00 am to 5:00 pm by calling 850-431-5439 or faxing the scheduling sheet to 850-431-6120. Emergency cases may be scheduled at any time by contacting the charge nurse in the operating room at 850-431-1155 Ext 31470

[Perfusion Department.....850-431-1155 Ext. 31750](#)

The Perfusion Department at Tallahassee Memorial offers heart/lung bypass for major heart surgery. In conjunction with these cases, perfusion is responsible for left and right heart bypass, R-Vads, L-Vads, and Bi-Vads. Cell Saving is also provided for procedures such as total knees, hips and back cases. Perfusion also maintains responsibility for balloon pumps and maintains percutaneous bypass in the Cath Lab for emergencies and angioplasty standby.

[Post Anesthesia Care Unit \(PACU\)](#)

[Recovery Room.....850-431-1155 Ext. 31342](#)

The Post Anesthesia Care Unit (PACU) Recovery Room is adjacent to the operating rooms. This dedicated team of professional's cares for all patients receiving general anesthesia or other patients requiring close monitoring after procedures from the operating rooms.

[Endoscopy Unit 850-431-2878](#)

The Endoscopy Unit provides pre-procedure, procedure and post procedure care to patients having a gastroenterology procedure. It is staffed 24 hours a day/7 day a week.

Hospital Services

Surgical Observation Unit, 4A.....850-431-1494

The Medical Surgical Unit (MSU) is a newly established 15-bed inpatient unit located on the 4th floor with the capability and plans to expand to a 31-bed unit. The unit serves a variety of medical diagnoses including neurology, gastrointestinal, cardiovascular, pulmonary, genitourinary, psychiatric, and metabolic conditions. MSU is a dynamic and fast paced unit focused on multidisciplinary collaboration to deliver patient-centered care. We rely on teamwork, compassion, and evidence-based practice to ensure safe and high-quality care.

Vascular/Special Procedures Lab850-431-1155 Ext. 32830

The Specials Lab consists of two diagnostic/interventional labs where vascular and radiology special procedures are performed. These include peripheral studies, stents, angioplasty, atherectomy, embolization, permcath placement, nephrostomy tube placement, some drainage procedures, and percutaneous transgastric feeding tubes.

Endovascular Neuro Lab.....850-431-1155 ext. 32833

The Endovascular Neuro Suite provides diagnostic and interventional procedures of the head including coils and stents and thrombec.

TMH PHYSICIAN PARTNERS 850-431-6259

The Department of Physician Partners develops, promotes, and operates a network of primary and specialty physician offices in Tallahassee and the surrounding counties. Physician Partners initiates the availability of practices in our service area. At this time the Department consists of the following TMH Physician Partners practices: Bariatrics, Cardiology, Cardiothoracic, Chronic Pain Management, Diabetes, Endocrinology, Family Medicine, Gastroenterology, General Surgery, Gynecology-Oncology, Heart Failure, Heart Rhythm, Hematology-Oncology, Internal Medicine, Maternal Fetal Medicine, Neurology, Oral Maxillofacial Surgery, Pulmonary, Radiation Oncology, Rheumatology, Urgent Care Centers, Urology and Vascular.

TMH PHYSICIAN PARTNERS – ENDOCRINOLOGY, OBESITY

& DIABETES..... 850-431-5404

The Endocrinology, Obesity, and Diabetes division of our Physician Partners provides individualized, team-based care and support for people with chronic conditions under one roof. These conditions include diabetes, obesity, osteoporosis, thyroid disease, and other endocrine disorders. This team is made up of a partnership between medical specialists, registered dietitians, diabetes care and education specialists, clinical social workers, and exercise therapists.

TRANSFER CENTER.....1-877-TMH-TRMA or 1-877-864-8762

Physician Line..... 850-431-4196

The Transfer Center expedites physician requests for admission of their patients to Tallahassee Memorial. It focuses on admissions that occur through the Bixler Emergency & Trauma Center as well as direct admission through Patient Access.

Hospital Services

TRANSITION CENTER.....850-431-4470

The TMH Transition Center, located at 3333 Capital Oaks Drive, is a specialized health clinic that provides short-term transitional care to patients who have received services at a Tallahassee Memorial facility and need help accessing critical follow-up services. These include finding a primary care doctor, accessing medications, help understanding current health status, and other social support services as needed.

TRAUMA PROGRAM850-431-7828

As a state designated Level II Trauma Program, TMH's Trauma service area includes Calhoun, Franklin, Gadsden, Jackson, Jefferson, Leon, Liberty, Madison, Taylor and Wakulla counties in Florida and patients from South Georgia counties. The trauma service is focused on providing the best trauma care possible to our community. The trauma team includes board certified Trauma Surgeons and Emergency Physicians, along with a wide variety of specialty physicians who are available 24/7, as needed. The trauma program office is responsible for collecting data on all trauma patients and maintaining a State and National Registry of those patients and using the data collected to continue to strive to maintain and develop a program that provides the absolute best care possible to our community.

URGENT CARE CENTER.....850-431-7816

The Urgent Care Center is located across the street from the Bixler Trauma & Emergency Center at 1541 Medical Drive. Services are available seven days a week from 9:00 am to 9:00 pm. The Center is staffed by Family Medicine professionals to treat minor injuries and illnesses.

URGENT CARE CENTER-SOUTHWOOD.....850-431-3868

VOLUNTEER SERVICES DEPARTMENT850-431-5331

Tallahassee Memorial Gift Shop850-431-5427

Women's Pavilion Gift Shop.....850-431-0294

The Volunteer Services Department offers volunteer opportunities to individuals on an as-needed basis. Individuals of all ages, including college students and teens (high school juniors and seniors), are eligible to apply to serve as non-paid volunteers at Tallahassee Memorial.

The Tallahassee Memorial Gift Shops are supported by the hospital and the Auxiliary Volunteer Organization. The boutique-styled shops offer flowers, cards, sundries, apparel, home décor and more. Physicians and colleagues receive a discount with hospital identification.

Hospital Services

Proceeds from both gift shops are used to support patient care, programs at Tallahassee Memorial.

WOMEN'S AND CHILDREN'S SERVICES

CHILDREN'S CENTER

Kids Korner 850-431-2242

Located on 2N this is a 4-bed outpatient area equipped to care for children from birth to 17 years of age who require outpatient procedures such as lab work, blood transfusions, endocrine studies, IV antibiotic administration as well as pre- and post-operative care along with sedation recovery. Parents are encouraged to stay with their child and assist with care when feasible.

Pediatrics..... 850-431-2294

Located on 2N, this 23-bed, all private rooms unit (rooms can be adjusted to semi-private only if needed) is equipped to care for children from birth to 17 years of age. The unit provides a cheerful environment where children with a wide variety of conditions and those recovering from surgical procedures are cared for. Parents are encouraged to stay with their child and participate in their care when feasible.

The unit provides age specific education and entertainment through numerous ways to all ages of patients and their families to include the Fun Station which can distract and provide fun activities for younger patients, with the Wii Nintendo game and DVD movies on the flat screen. There is also a playroom available to patients where toys, games and educational activities are available.

Pediatric Intensive Care Unit (PICU) 850-431-2295

Located on 2N, this 10-bed unit is the only critical care unit within 100-mile radius that is equipped to care for children from birth to 17 years of age who are seriously ill and require intensive care. TMH has dedicated Pediatric Intensivists to care for these children. A Clinical Nurse Educator is available to both staff and patients/families for all areas within The Children's Center to assist in guiding the care. Parents are encouraged to stay with their child and participate in their care when feasible.

A Child Life Specialist assists children in coping with hospitalization and distractions during clinical treatments which include the use of specific age-appropriate applications, such as the use of iPads that are used to assist the child with up-to-date distraction methodology.

THE FOLLOWING DEPARTMENTS/SERVICES ARE LOCATED IN THE ALEXANDER D. BRICKLER, MD WOMEN'S PAVILION:

Women's Pavilion (WP).....850-431-0200

The Alexander D. Brickler, MD Women's Pavilion is a birthing facility located off Medical Drive and is dedicated to providing evidence-based maternity care practices which facilitate the patient and family.

Hospital Services

Admitting/Central Registration.....850-431-0220

Gift Shop at The Women's Pavilion850-431-0294

Located on the third floor of the WP, the gift shop offers a variety of baby gifts, specialty items, sandwiches and snacks, and floral arrangements available for purchase by guests and patients in the WP. Guest trays and Starbucks coffee can also be purchased. (Parking tokens can be purchased at a vending machine located on the second floor of the Women's Pavilion.)

Outpatient Education and Community Outreach/LaBelle Breastfeeding

Boutique.....850-431-4915

Outpatient Education and community Outreach department provides family-centered Classes, promoting health & wellness in the community. Their services include:

- New family education programs: Prepared Childbirth, ABC's of Babies, Infant and Child CRP, Babysitter Training, Grandparent Boot Camp and Prenatal Breast Feeding.
- LaBelle Breastfeeding Boutique, carries rental pumps, personal breast pumps, nursing bras, nursing pillows, breast feeding accessories and pregnancy, postpartum and breast care products. Capital Health Plan members receive their insurance provided breast pump here.
- Breast feeding support group.

Antenatal Care Unit850-431-0431

Located on the third floor of the WP, this twelve-bed unit with all private rooms is specifically designed for mothers-to-be who have medical and obstetrical complications and may require an extended hospital stay and monitoring prior to birth.

Emergency OB Triage/Outpatient Testing..... 850-431-0151

Located on the second floor in the WP, OB Triage offers 8 private patient rooms and is open 24 hours a day. Outpatient tests are ordered on an appointment basis by a physician or midwife.

Labor and Delivery (L&D)850-431-0101

Located on the second floor of the WP, L & D has 19 private Labor/Delivery/Recovery (LDR) rooms including 17 whirlpool/shower suites and 2 handicapped accessible with showers. In addition, there are 3 surgical suites, and 4 private Post Anesthesia Recovery rooms. Surgical services include cervical cerclage, tubal ligations, and Cesarean sections. Patients requiring the services of Labor and Delivery should come to the Hospital through the Women's Pavilion entrance and parking deck, located off Medical Drive.

Scheduling a patient for Cesarean sections, induction of labor or cervical ripening is done by calling 850-431-0480. You will be provided a form and fax number to submit your request which will include (if applicable):

- patient's name (including maiden or former name(s), if applicable)
- patient's social security number

Hospital Services

- due date
- patient's physician/CNM
- reason for induction or procedure (if less than 39 weeks, you must have a documented medical condition)
- If Pitocin induction, Bishop Score required
- patient's phone number and email address.

On the day of surgery, the patient should arrive on the Labor and Delivery unit no later than two hours prior to the time surgery is scheduled and have been NPO for at least 8 hours.

Family Care Unit (FCU)

East Nurses Station 850-431-0401

West Nurses Station 850-431-0400

Located on the third floor in the WP, FCU has a philosophy of patient- and family-centered care. Mother-baby couplet care is the modality of care; the nurse who cares for the mother also cares for the baby. Healthy newborns stay in the mother's room 24/7. The FCU has 50 private mother-baby rooms, 2 nurse stations (East and West), and a newborn nursery treatment area.

Lactation Services 850-431-0468

The nursing staff is highly educated and trained to meet all normal breastfeeding needs in L&D and Family Care Unit. There is also an expert team of certified lactation consultants to help moms with more complicated breastfeeding challenges. Outpatient appointments are also available as needed.

Level III Neonatal Intensive Care Unit (NICU III) 850-431-0170

Level II Neonatal Intermediate Care Unit (NICU II) 850-431-0180

Located on the second floor of the WP, the NICU III is a 19-bed intensive care unit with semi-private rooms; the NICU II is a 15-bed intermediate care unit with semi-private rooms. Neonatologists, nurse practitioners, nurses and other professional support staff are available 24 hours a day for babies and their families.

There are also 4 nesting rooms available to parents of NICU babies prior to discharge as needed. A day or two prior to baby going home, parents may be asked to come in "to nest," or stay with baby overnight. The nesting area includes a shared bathroom and shower area. During this time NICU nurses will oversee parent's management of their babies and support them prior to the baby's discharge to home.

Perinatal Bereavement **Please contact the patient's OB provider**

If you are a provider's office looking for a list of additional community resources to offer to a patient in need of bereavement services or counseling, please contact the Director of Perinatal Services 850 431-0062 or the Nurse Manager of Perinatal Services 850-431-0450.

Hospital Services

WOUND HEALING CENTER..... 850-431-4325

The Wound Healing Center is located at 1505 Surgeons Drive. The Wound Center accepts patients via provider referral or self-referral. Most insurances are accepted. Outpatient Wound Care and Hyperbaric Oxygen Therapy are provided by a trained panel of physicians and wound care nurses. The Wound Center provides specialty wound care for all types of acute and chronic wounds through the use of evidence- based clinical pathways. Using advanced wound healing techniques such as hyperbaric oxygen, debridement, off-loading & skin substitutes, the Wound Healing Center staff and physicians work with community physicians to develop a comprehensive care plan for patients with wounds.

TALLAHASSEE MEMORIAL

Community Services

Community Services

BEND AREA

HEALTH EDUCATION CENTER (BB-AHEC) 850-224-1177

The Big Bend Area Health Education Center (BB-AHEC), operating on a contract with the University of Florida College of Medicine, works with a 14-county area to increase the supply of health care providers by providing activities to recruit, train and retain students in rural health care interests and careers. BB-AHEC also enhances the skills and knowledge base of primary care practitioners through continuing education activities; provides community-based primary care organizations and facilities with the tools needed to retain the interest, dedication, and involvement of their health care professionals; provides multi-disciplinary, community-based training opportunities for health professional students and increases access to medical consultation and information (medical library services) by primary care practitioners.

BIG BEND HOSPICE..... 850-878-5310

Big Bend Hospice is a home-based hospice for the terminally ill patient. Skilled nursing combined with an interdisciplinary team provides a viable and affordable alternative for the patient and family needing assistance during the final months of life. Big Bend Hospice has a formal agreement with Tallahassee Memorial Hospital for the use of the inpatient facility on the Angie Deeb Cancer Unit (ADCU), Rehabilitation Center and other units as appropriate to the patient's diagnosis if and when needed for optimal quality of care.

BLOOD BANK..... 850-877-7181

The Southeastern Community Blood Center (OneBlood) supplies all of its blood through a volunteer donation program. The autologous (self-transfusion) program enables individuals to serve as their own blood donor, especially in cases of elective surgery. Autologous donors receive the safest possible blood—their own.

COVENANT HOSPICE..... 850-575-4998

Covenant Hospice is a not-for-profit organization providing compassionate services to patients and their loved ones during times of life-limiting illnesses.
