Dear Patient and Family:

Welcome to the Nutrition Programs of the Metabolic Health Center! Our staff of registered dietitians are here to provide you with nutrition counseling to help you successfully manage your condition.

Please note that your insurance company will be billed for these services unless other arrangements were made before your scheduled appointment. You will be responsible for any non-covered benefits, unmet deductible, co-payment, or co-insurance. We have found that most insurance companies do not cover nutritional counseling. NOTE: Should you have any questions regarding insurance coverage, please contact your insurance company first and then follow up with us if you have more questions. If you want to check coverage with your insurance company, please let them know that we are a hospital outpatient facility.

Once we receive a completed referral from your doctor, we will call to schedule your appointment. The appropriate paperwork should be filled out in full and brought with you the day of your first appointment together with your photo identification. If you are unable to complete the paperwork before your scheduled appointment, please call us to reschedule.

Kindly give us at least 24 hour notice if you are unable to keep this appointment. This will allow us to give better care to all of our patients because we consistently have patients waiting for appointments who could then be seen at an earlier time. (You also may be asked to reschedule your appointment if you arrive 10 minutes late.)

Thank you for your consideration and cooperation. We look forward to seeing you.

Respectfully,

TMH Physician Partners - Metabolic Health Center Administration
OUTPATIENT NUTRITION QUESTIONNAIRE

Name: _______________________________________________       DOB: ___/___/____

Age: ________ Race: _______ S.S.# ________________________

Level of Education Completed: □ Grade school □ High School □ College □ Trade/Vocational
