YOUR HOSPITAL FOR *life*

A Meaningful Memory

You can create a caring, lasting and meaningful memory by purchasing a beautiful brick paver inscribed with your name, the name of a loved one or someone special you wish to honor or memorialize. These brick pavers will be prominently displayed on walls in the M.T. Mustian Center Courtyard – a highly trafficked and visible place of honor on the campus of Tallahassee Memorial Healthcare (TMH).

All net proceeds from this program will be directed to the Area of Greatest Need Fund in the TMH Foundation to support the most pressing and timely needs of TMH, its patients and colleagues. From purchasing equipment such as a new ambulance and a 3-D mammography machine, to providing scholarships and educational assistance to TMH colleagues, you have the power to make a tremendous impact with your paver purchase.

Order your commemorative brick paver today and become a part of TMH's rich history of serving our community through the delivery of exceptional healthcare.

The Details

Our laser engraved clay brick pavers measure 3 5/8" x 7 5/8" by 1/2" thick and cost \$250. They can accommodate up to three lines of capitalized Times New Roman text with 20 characters per line at no extra charge. A logo can be added for \$100; clipart from our list can be added for \$40. Adding a logo or art reduces the number of characters per line to 12. Once full payment is made, please allow up to two months for production and installation. Paver dedication ceremonies will be held twice each year in the summer and fall.

Guidelines

Inscription should communicate non-commercial messages only. Company names can be used. Phone numbers, e-mails, web addresses, slogans and sales pitches cannot be used. The exact location of your brick in the Mustian Courtyard cannot be guaranteed.
